

Empowering Indigenous Economies
Feb. 26 – 28, 2019
Calgary TELUS Convention Centre, Treaty No. 7
Forwardsummit.ca

To who it may concern,

We're excited to announce that we will be attending the inaugural Forward Summit this February as a Summit sponsor.

Forward Summit represents an important opportunity for our organization to take meaningful steps towards economic reconciliation and get involved in creating a stronger economy by advancing our relationship with Indigenous communities in Canada.

We invite you to join us at Calgary TELUS Convention Centre this coming February to take part in these important conversations. We believe that being present for these three days of keynotes, workshops, roundtables and panels along with industry and Indigenous leaders will help your organization bridge an important gap related to economies and workforce.

As a Summit sponsor, we can offer you an exclusive 10% discount to attend this professional gathering of industry and Indigenous leaders. Forward Summit will hold conversations about national partnerships as well as workshops on creating Indigenous inclusion strategies.

Below you'll find several topics scheduled for the Summit:

- Energy Gridlock - Market Access
- The Power of Procurement – A look at “Supply Change” One Year On – Presented by the Canadian Council for Aboriginal Business
- The Common Objective – Moving Projects Forward Together – Presented by The First Nations Major Projects Coalition
- From Seed to Success
- Inspirational Women's Series
- Hydrocarbons – The Economic Reconciliation Trailblazer
- The Growth of the Cannabis Industry
- Clean Tech – Funding the Future Energy Mix – Presented by Gridworks Solar & Electrical Experts
- Attracting Global Capital & Sustainable Indigenous Economic Participation

As mentioned, please use the code SPONSOR10 to save 10% on your three-day conference pass with access to all panels, networking events and one on one meeting scheduling through the official mobile app.

Visit www.forwardsummit.ca for more information on speakers, topics and networking opportunities at Forward Summit.

We look forward to seeing you at the Summit.
